OUATE TISSUE TISSUE DOUBLE POINT

Double Point®

Les serviettes Double Point sont fabriquées à partir du collage de deux couches de papier, grâce à une technique spéciale de gaufrage qui leur confère un meilleur volume et plus de douceur. Leur texture et leur apparence agréables en font un incontournable produit pour l'art de la table. Elaborées sous différents formats et couleurs (disponibles en blanc, en couleurs ou dans la gamme blanche décorée). Également disponibles sur la gamme recyclée Feel Green.

I tovaglioli Double Point sono fabbricati a partire dalla sovrapposizione di due strati di carta tissue mediante una tecnica speciale di goffatura che le conferisce un maggior volume e morbidezza. Il loro aspetto e la loro trama delicata ne fanno un elemento imprescindibile per una bella presentazione. Elaborati in diversi formati, si possono acquistare in bianco, a colori o nella gamma bianca decorata. Sono anche disponibili nella linea riciclata Feel Green.

Double Point napkins are made by bonding two plies of tissue paper by means of a special embossing technique, which makes them softer and thicker. Their pleasant texture and appearance makes them a must for any dinner table. Available in different formats, they come in white, an assortment of colours or the decorated white range. Also available as part of the Feel Green recycled line.
